Trust Fund Sergeant Brett Meredith

4 January 2010

The Northern Territory Police Association with the assistance of the Police Credit Union (S.A./N.T.) today announced the establishment of a trust account to assist the family of deceased NT Police Officer, Sergeant Brett Meredith.

"In response to numerous offers by local and interstate Police Officers and members of the public our Association has established a trust account to support Brett's family", NTPA President Vince Kelly said today.

"Brett's family have been overwhelmed by the support they have already received.

"There are many members of the community who wish to help in some small way and for that reason we have established the account.

"We wish to thank the Police Credit Union for their assistance in establishing the account and their initial donation.

"Deposits can be made electronically or in South Australia and the Northern Territory at any branch of the Police Credit Union.

"Once again our Association thanks all those who have offered their thoughts and condolences since Brett's tragic death", he said.
